MC / Entertainer Biography

Johnson&Laird

"Lisa was MC for the Awards Gala evening for the Reel Earth Environmental Film Festival in Palmerston North 2011. A highly professional and energetic person with a detailed focus and steady attitude. She finalised and clarified the run plan for the event by working with the technical person and director. 100%reliable and delivered exactly what was required. The feedback from the audience was that she conducted the MC process in a very clear and professional way. I would certainly recommend her as she was friendly and easy to work with "
